

Friends of Mueller State Park
P.O. Box 504
Divide, CO 80814-0504

Dear Karolyn and the Holiday Home Tour Team,

This is a long overdue “Thank You” for your support of the Friends of Mueller State Park. You have substantially helped us with our mission of getting kids outdoors and learning about the wonderful natural world around us. Both the environment and the history of the Teller County region are major parts of the educational programs at the Park.

A second important “Thank you” is for all the hard work that each member of the team put into the Tour this year....and the many years before. It is truly amazing that so much good has come from the effort of the Holiday Home Tour committee. Considering the financial support that non-profit groups have received over the years, the impact of your work is tremendously impressive.

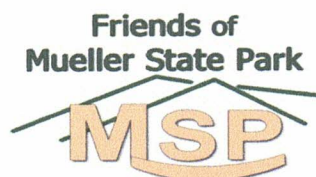

The Teller County community is blessed to have such dedicated people working on its behalf each year.

With sincere appreciation,

Gretchen Darlington

President

Friends of Mueller State Park
