

Tour Tips

- Our “snow or shine” event entitles the visitor admittance to each home **ONCE** during the tour.
 - Tickets purchased on our website are available for pick up at our Hospitality Suites in the Woodland Professional Building or the Ambassador Table at Tweeds Fine Furnishings on both days of the Tour. Although the Tour does not start until 10:00 am, both locations will open at 9:30 for early pick up.
 - The QR code on each ticket provides electronic access to our Tour Guide. Tour Guides are also available at our ticket pick up locations. The Tour Guide includes a map, written directions, and a QR code to each venue. Highway signage will also assist in navigating to our venues and Hospitality Locations.
 - Coffee, apple cider, cookies and other treats are available at our Hospitality Suites at Woodland Professional Building, Woodland Park Senior Center and Tweeds Fine Furnishings. Restrooms are also available at these locations.
 - Shoe covers are provided at each home, or feel free to bring your own slippers. They are not required at our Hospitality Locations.
 - Each home is marked with Holiday Home Tour signage and parking instructions where needed. Please respect the designated parking areas for our volunteer musicians and host.
 - Help us value the homeowners’ privacy as noted on the signage which is placed on closed doors within each location.
 - Photo opportunities are available at our Hospitality Locations. Out of respect for the homeowners, photography and videography are NOT permitted at the homes.
 - Our traditional recipe cards are available at each venue. Supply is limited, but the recipes are also available on our website.
 - Enjoy live music at various venues. Woodland Senior Center is again hosting our traditional “Sounds of the Season” for large musical groups. Santa & Mrs. Claus will also be at this location on Sunday from 11-3 pm. Note: No ticket is required here. A full music schedule is posted on our website.
 - Please complete the survey form and drop it off at a Hospitality Location or the last venue you visit.
